Wedding Disk Packages

Wedding photography packages

Disk Silver \$900

This package includes at least 200 photos that are taken at the service and at one location of the couples choice following the service. This provides up to 2 hours of coverage. High resolution photos taken are presented on a DVD disk for the couple to keep.

Disk Platinum \$1600

This package includes at least 500 photos that are taken at the brides home; during the service; at locations of the couples choice following the service; and at the reception until the bride and groom leave. This provides up to 9 hours of coverage. High resolution photos taken are presented on a DVD disk for the couple to keep. BONUS: Free slideshow to music DVD included.

*****Optional extras*****

Deluxe proof albums (6x4" proofs) available for all packages starting at \$500.

Quality wedding albums start from \$800.

Disk Gold \$1200

This package includes at least 300 images taken over 5 hours. High resolution photos taken are presented on a DVD disk for the couple to keep.
